DAN FOREST

LT. GOVERNOR 2012

What Dan Believes

- I believe strong families and faith are the fundamental foundations of America
- I believe in small government, low taxes and free enterprise
- I believe in the sanctity of human life
- I believe in school choice and competition in education
- I believe public education decisions are best made at the local level
- I believe in securing our borders against illegal immigration
- I believe in medical malpractice reform
- I believe community colleges should play a key role in job training and economic development
- I believe North Carolina should opt out of the national healthcare plan being forced on us from Washington
- I believe in ending corporate welfare and recruitment incentives and replacing it with lower taxes for all North Carolina businesses
- I believe small businesses create jobs, not the government, and we need to repeal excessive regulations on our job creators
- I believe that policies should be enacted that encourage personal responsibility, not government dependence

Principled. Conservative. Republican.
